It's hard to say where we went wrong

Put the blame on both our parts.*

*Forgive and forget, that's what they teach  
Too many cuts and they cut too deep  
I hurt you baby, you hurt me too  
Some cuts heal, some never do*

*See my baby out at night  
The way she talks, well it just ain't right  
Trouble trouble all the time  
The way she walks cause my worried mind*

*Forgive and forget, that's what they teach  
Too many cuts and they cut too deep  
Trouble trouble all the time  
The way she walk cause my worried mind*

### **2. Ain't Nobody (gonna save my soul) (4:13)**

*B. Hammer (PorkChopWillieMusic, BMI)*

*Ain't nobody, gonna save my soul  
I walk this Earth, all alone  
Ain't nobody, gonna pray for me*

*Ain't nobody, gonna set me free*

*I been here, all alone  
Ever since, you been gone  
Empty house, lonely nights  
Empty days, lonely life*

*Come on girl, come be with me  
He ain't no good, it's plain to see  
I think of you, and my heart cries  
I'm on my knees, please tell me why*

*Other women, in this world  
Don't see me, as such a fool  
Days are long, the nights are dark  
I buy my love, with a frozen heart*

*Repeat first verse twice*

### **3. Snake Drive (5:30)**

*R.L. Burnside, Kenny Brown*

*I let my baby ride (4x)  
Cause love is the devil but it won't get me*

### **4. Lonesome Poor (3:28)**

*B. Hammer (PorkChopWillieMusic, BMI)*

*My baby, she don't love me  
My baby, she don't love me no more  
My baby, she don't love me  
She went away and left me lonely  
My baby, she don't love me no more*

*Once I was a younger man  
Once I was a much younger man  
Then I had such hopes and dreams  
They're fading away these days it seems  
Once I was a younger man*

*When we met our love was grand  
When we met our love was so grand  
When we met your love was true*

*Now there's nothing I can do  
My baby, she don't love me no more*

*I was rich but now I'm poor  
I was rich but now I'm lonesome poor  
I was rich but now I'm poor  
Ever since you walked out that door  
Was a rich man, now I'm lonesome poor*

*Cold winds blow through my home  
Cold winds come blowing through my home  
Cold winds rattling these old bones  
As I sit here all alone  
Cold winds blow through my home*

*B. Hammer (PorkChopWillieMusic, BMI)*

*I wanna be with you, Rosalie  
Cause you're the one that's right for me  
I wanna be with you day and night  
Cause when I'm with you darlin' everything, everthing is all right*

*There's one thing that I'll never forget  
First time I saw you in that tight red dress  
Well put it on, let's hit the town  
Let's tear it up, let's rip it all, rip it all down*

*I love my darlin', Rosalie  
She's the finest girl that I'll ever see  
Dancing 'neath the stars above  
All night long I'm gonna prove, gonna prove my love*

*Come on darlin' hold me in your arms  
The world is right when I'm lost in your charms  
Ain't no place that I'd rather be  
I'll tell you now darlin' that I'm never ever, never gonna leave*

*I wanna be with you, Rosalie  
Cause you're the one that's right for me  
Dancing 'neath the stars above  
All night long I'm gonna prove, gonna prove my love*

**6. Poor Boy (4:04)**

*R.L. Burnside*

*Poor boy, I'm a long way from home  
Poor boy, I'm a long way from home  
Poor boy, I'm a long way from home  
World can't do me no...*

*World can't do me no harm  
World can't do me no harm  
World can't do me no harm  
I'm a poor boy a long way from...*

*Baby, I can't live alone  
No, no, no, no  
Baby, I can't live alone  
I'm a poor boy a long way from...*

*World can't do me no harm*

*World can't do me no harm*

*My baby, she's dead and gone  
My baby, she's dead and gone  
My baby, she's dead and gone  
World can't do me no....*

**7. She Give Me Joy (3:37)**

*B. Hammer (PorkChopWillieMusic, BMI)*

*Time to run girl, down the road  
What we had in our time is all gone  
I don't wanna, hurt no one  
Don't want to think about the things I done*

*But I want her, every day  
How did I let things get this way  
She was there when, I needed love  
Now I pray to the lord above*

*Well I hurt now, deep within  
I know I must pay for my sins  
But this pain ain't, nothing new  
When I think about the things I done to you*

*Just cause I know that, it isn't right  
Don't mean that I don't want her tonight  
She give me joy, she give me hope, she give me happiness  
Tonight I want her sweet kiss*

**8. Falling** (3:37)

*B. Hammer (PorkChopWillieMusic, BMI)*

*I got a gun  
I never hurt no one  
I never hurt no one  
I never hurt no one*

*Her, him or me, it's gonna set me free  
Her, him or me, it's gonna set me free  
Her, him or me, it's gonna set me free*

*Living on a wire  
Walking on that high wire  
Now I'm falling, I'm falling  
I'm falling, falling, falling, falling  
I'm falling, falling, falling, falling*

*It's a long way home  
On a deep dark night  
Walking down these empty streets  
Looking for my sweet release  
Her, him or me  
It's gonna set me free*

*Tell mama I love her*

*Forgive me*

*Traditional with added lyrics by B. Hammer (PorkChopWillieMusic, BMI)*

*Meet me down the crawdad hole now baby  
Meet me down the crawdad hole now girl

You get a line and I'll get a pole now girl  
You get a line and I'll get a pole  
I'll meet you down at the crawdad hole  
Oh, baby, mine*

*What you gonna do when the well runs dry now baby  
What you gonna do when the well runs dry now girl  
What you gonna do when the well runs dry  
I'll sit on the bank feel my heart cry  
Oh, baby, mine*

*I had a gal that left me blue now baby  
I had a gal that left me blue now girl  
I had a gal that left me blue  
I swear she never did love me true  
Oh, baby, mine*

*Sitting on a sofa on a Sunday evening  
Sitting on a sofa on a Sunday night  
Well I don't know the future but it sure looks bright  
Sitting here baby holding you real tight  
Oh, baby, mine*

*You got to hold me baby, hold on  
Hold me baby, hold on  
Well hold me baby all night long  
I'll love you darlin' oh so strong  
Oh, baby, mine*

*Meet me down the crawdad hole now baby  
Meet me down the crawdad hole now girl  
Meet me down the crawdad hole  
I'll give you my heart and lose my soul  
Oh, baby, mine*

*Well I don't know the future but it sure looks bright  
Loving you darlin' almost every night  
Oh, baby mine*

## **10. All Night Long (8:11)**

*Junior Kimbrough*

*All night long  
Babe, I heard you  
Call my name  
Junior I love you  
Junior I love you  
I hope you love me  
I said, I love you baby*

*Don't you want love  
Don't you want love*

*Babe, I need you  
Girl, I need you  
Right here girl  
By my side  
Babe, I need love  
Girl I need love  
All night long*

*Don't you want love  
Don't you want love*

*Babe, I love you  
Girl, I love you  
Hope you love me  
Hope you love me  
She said, Junior, I love you*

*Don't you want love  
Don't you want love*

## **11. She's Gone (2:16)**

*B. Hammer (PorkChopWillieMusic, BMI)*

*[Chorus} She's gone, gone, gone  
She's gone, gone, gone  
Oh, yeah, she's gone, gone, gone*

*She's the one that you desire  
As she walks on down the street  
A little smile as you walk by her  
Make your poor heart skip a beat*

*Try to spend some time together*

*Go ahead now if you dare  
You'll be in for stormy weather  
She gonna leave you standing there*

*Chorus*

*You'll be caught by love's illusions  
When you gaze into her eyes  
As it runs to its conclusion  
She'll never even say goodbye*

*Chorus*

*Time has passed and you are older  
You've settled down in to your life  
You got the things that you're supposed to  
A house and kids and lovely wife*

*Chorus*

*But late at night your mind will wander  
That little smile as she walked by  
It's been years but you still love her  
You know it's true your heart don't lie*

*Chorus*

## **12. Devil in my Soul (3:50)**

*B. Hammer (PorkChopWillieMusic, BMI)*

*Hey now, baby, it's time to go  
To say you love me don't make it so  
I'll be gone with the first daylight  
We all want a little joy in life*

*Life is hard and the river is deep  
You break more promises than you keep  
Show me just one good man  
I want to tip my hat, I want to shake his hand*

*Some been down to Parchman Farm  
You're not free no matter who you are  
The devil's there within your soul  
Better wash those sins 'fore you leave this world*

*I love my baby, go tell the world  
I still remember when I met that girl  
I'll be there even though its wrong  
And I'll be back before too long*

*Who can see the heart of a man  
All we gonna do is the best we can  
It feels like a struggle just to stay alive  
I want to keep my baby satisfied*

### **13. Black Heart (3:16)**

*B. Hammer (PorkChopWillieMusic, BMI)*

*I cut her with the same knife that she cut me  
Five years ago down in New Orleans  
I wanted that woman, yes that's a fact  
I never knew that her heart was black*

*She stuck me real good in a bar one night  
I never even had a chance to fight  
I wanted that woman, yes right then and there  
The danger was clear but I just didn't care*

*I still don't know why she took me to bed  
Her hair was dark and her lips were red  
There was nothing I could do to resist that girl  
I give her anything in the whole wide world*

*I gave her everything that I had in my life  
I lost my kids and I lost my wife  
When she started up with another man  
There was nothing I could do, you got to understand*

*I killed that girl, oh, yes it's true  
What was I supposed to do  
I wanted that woman, yes that's a fact  
I never knew that my heart was black*
